*Feierabend Fundamentals: History, Philosophy, and Practice* is the first comprehensive look at all aspects of John M. Feierabend's innovative and popular approach to teaching music, written by a team of practitioners from early childhood to college and beyond.

Topics include elementary general music, instrumental and choral music, assessment, children with special needs, establishing a First Steps business, and a comparison of the major music education methodologies.

*Feierabend Fundamentals* is written for new teachers, teachers certified by the Feierabend Association for Music Education, veteran teachers, and undergraduate and graduate college students.

Edited and compiled by Missy Strong and John M. Feierabend, this book is a major contribution to the music education profession and is a significant step to bringing this powerful yet child-centered approach to an even larger community.

**Missy Strong** has been joyfully teaching general and vocal music at the preschool, elementary, and middle school levels for over two decades.

**John Feierabend**, PhD, is considered one of the leading authorities on child development in music and movement.
